Subject: **ATS Peer Evaluation**

Dear Mr. Pušara,

The EA Multilateral Agreement Council (EA MAC) considered the current outcome of the peer evaluation of ATS performed on 15-19 November 2021 and made the decision by an on-line ballot open between 30th September and 14th October 2022, based on a proposal by the EA MAC Management Group.

The decision is transcribed below:

Based on the peer evaluation report and the report provided by the TFG appointed to review the evaluation report, the EA MAC confirms that ATS remains an EA MLA signatory in the fields of Calibration (EN ISO/IEC 17025), Testing (EN ISO/IEC 17025), including Medical Examinations (EN ISO 15189), Inspection (EN ISO/IEC 17020), Certification of Management Systems (EN ISO/IEC 17021-1), Certification of Products (EN ISO/IEC 17065), Certification of Persons (EN ISO/IEC 17024).

Furthermore, EA MAC confirms that ATS complies with all relevant requirements to become an EA MLA signatory in the field of Proficiency Testing Providers (EN ISO/IEC 17043).

The next full re-evaluation shall take place in September 2025 (considering the standard 4 years intervals from the initial evaluation).

This decision is valid from 15th October 2022.

We would like to congratulate you for this achievement.

Kind regards,

Maria Papatzikou
EA MAC Chair
